Directions

Mix the sugar and fortified oils in the jar with our spa spoon or finger. Apply generously to wet skin. Massage gently using circular motions over the entire body with concentration on dry areas such as elbows, knees, and heels. Rinse thoroughly and pat dry.

Caution when using in the shower, as the oil can make surfaces slippery. Avoid the eye area.

Pro - Tip

When using in the shower, move out from under the stream of water while applying to maximize your polish.
