BELLAME ACQUA LUMIERE HYDRATING EYE CREAM

5 FL OZ | 15 ML

The Bellame Benefit

This eye-area wonder gets an added lift from a proprietary circulation booster that ensures capillaries perform at their best. The Milk Peptide Complex has a regenerative effect, delivering a significant uptick in firmness, smoothness and even skin thickness.

- Stands up to the special demands of the orbital area.
- Softens fine lines.
- Deflates puffiness.
- Diminishes dark circles.

Baobab Oil:

From the "Tree of Life," is known to:

- Be an emollient, providing superior moisture to the skin.
- Be an insulator, protecting the skin from excessive temperatures.
- Be a rejuvenator, promoting rejuvenation of skin cells.
- Be an antioxidant, preventing the skin from free radical damage.
- Be an anti-inflammatory because of the presence of Omega fatty acids in it.
- Promotes wound healing.

High-Powered Hyaluronic Acid:

Known to deliver lasting moisture to the skin, diminish fine lines and wrinkles, tone and firm the skin, support your skin's healing and repairing ability, protect against inflammation and provide antioxidant defense to fight UV damage.

Inflacin:

A patented proprietary molecule that blocks the myriad of bad effects of inflammation. It also shortens the formation of free radicals providing a natural shield against sun damage.

Soluxomes:

A patented proprietary ingredient delivery system ensuring your skin gets exactly what it needs where it needs it, ensures ingredients are absorbed sub-dermally in their most pristine high powered state. It also ensures the quantity of ingredients that pass the Stratum Corneum is higher and stays in the Epidermis and Dermis longer without entering the bloodstream.

Vitamin C Ester:

Known to boost Collagen production to plump and firm skin, reduce the appearance of brown spots, sun damage and age spots, reduce inflammation, even skin tone for a brighter, more youthful glow, and increase the skin's natural healing response.

Marine Collagen:

Known to promote glowing, vibrant skin, provide elasticity to the skin, reduce the appearance of fine lines and wrinkles, provide hydration for the skin, and act as an antioxidant.

Milk Peptide Complex:

Known to generate protein, which is a building block of healthy skin. It is also known to increase skin firmness and increase skin smoothness - even skin thickness.

Circulation Booster:

Recharges and stimulates blood circulation in the under eye area, ensures capillaries perform optimally, and reduces dark circles.
