The Bellame Benefit

BELLAME Body Oil is a specially formulated oil blend with the needs of your skin in mind. Don't be fooled by the name, this is an incredibly lightweight blend that provides intense moisture while nourishing and protecting the skin. The hero ingredients infused into this proprietary blend work together to leave your skin renewed, restored and glowing. Add this to your routine and the other products in our body line and you'll be turning back the hands of time from head to toe. Refreshing spa-scent powered by the union of neroli and citrus oils, think orange blossom, your favorite flower, and just a hint of honey! Truly an indulgence for the senses.

This oil blend contains thoughtful ingredients such as

Baobab Oil:

Obtained from the seeds of the Baobab tree. It has a nutritive power associated with compounds that act as a dermis protector, anti-wrinkles and soothing. This contributes to restoring smoothness to skin and to assure protection towards inflammatory phenomenon.

Grape Seed Oil:

A light feeling oil that penetrates the skin quickly, leaving the skin soft and moisturized. It is mildly astringent, great for treating oily or acne-prone skin. Perfect for those areas that are acne-prone.

Jojoba Oil:

It is an emollient that feels less like oil and more like cream, it mimics the skin's sebum which helps to even out your complexion delivering targeted moisturization to the areas that need it most.

Safflower Oil:

This has the highest linoleic acid content of all vegetable oils. This fatty acid is essential for the regulation of moisturization and restructuring of the skin.

Vitamin E:

A powerful antioxidant known to slow the rate of free-radical damage to collagen that can contribute to dry skin, fine lines, and wrinkles. This highly moisturizing key ingredient not only helps to repair and protect but works to nourish and hydrate your skin.

How to Use
