Introducing the Game-Changer in Beauty Nutrition.

Are you struggling with thinning hair, brittle nails, and lifeless skin? Say hello to our revolutionary solution! Our beauty breakthrough is not just any supplement; it's a synergy of 10 clinical-grade ingredients, all delivered in our patented TRAACS® encapsulation for optimal absorption and maximum efficacy.

At the heart of our formula is Cynatine®, the world's first Solubilized Keratin, designed to revitalize the very core of your hair, skin, and nails. This isn't just about replenishing what's lost; it's about reigniting your natural radiance from within.

As we age, our natural keratin production takes a dip, impacting the health and vibrancy of our hair, nails, and skin. Our BELLAME Hair, Skin & Nails formula tackles this head-on. We're not just reversing signs of aging; we're setting a new standard in beauty nutrition.

Imagine hair with more sheen and volume, nails that are robust and resistant to breakage, and skin that glows with youth and vitality. That's the power of BELLAME - transforming the foundation of beauty and taking it to unprecedented heights.

BELLAME Benefits

CYNATINE® Magic: Central to our formula, this is a bioavailable form of keratin—the very essence of your hair, skin, and nails. Cynatine® supports regaining hair's luster, nail resilience, and skin's radiant glow.

BAOBAB: Rich in antioxidants, baobab boosts skin elasticity and hydration, reducing aging signs. It strengthens hair, promotes growth, reduces breakage, and fortifies nails by supplying vital minerals like zinc and calcium.

BAMBOO: Rich in silica, it boosts hair strength, enhances skin elasticity, and fortifies nails. It promotes healthy hair growth, imparts a natural glow to the skin, and strengthens brittle nails, making it an essential beauty ally.

BIOTIN: Essential for hair growth, biotin prevents hair loss and improves hair thickness. For the skin, it helps to reduce inflammation, enhances complexion, and supports stronger nail growth, preventing brittleness and breakage.

COPPER: Boosts hair pigmentation, maintaining natural color and preventing premature graying. Essential for collagen production, it aids in skin firmness and elasticity, reducing fine lines.

NIACIN (VITAMIN B3): Aids in enhancing blood circulation, enabling a greater supply of vital nutrients to the hair follicles, and promoting hair growth.

PANTOTHENIC ACID (VITAMIN B5): Stimulates hair growth prevents graying, and maintains a healthy scalp. It hydrates and soothes skin, reducing blemishes and redness, and improves nail strength and resilience by aiding in keratin production.

STINGING NETTLE'S HEALING TOUCH: Combat scalp inflammation, a leading cause of hair loss, with the natural goodness of Stinging Nettle. Its anti-inflammatory prowess promises a healthy scalp and robust hair growth.

TRAACS®: Formulation is encapsulated via the patented TRAACS® form for optimal and efficient absorption, ensuring every ingredient works its magic to the fullest.

VITAMIN B6: Promotes healthy hair by aiding in melanin production, which gives hair its color. It supports skin health by regulating hormones that can cause acne and strengthens nails by enhancing protein metabolism.

ZINC - THE PROTECTOR: Often termed as 'Nature's Beauty Mineral,' it plays a pivotal role in safeguarding your skin and preventing hair loss. It's not just a mineral; it's your beauty's shield.
