## VELVET INFINITY EYELINERS

MADE IN KOREA

CRUELTY-FREE • VEGAN • GLUTEN-FREE • PHTHALATE FREE • PARABEN FREE

### HOW TO USE:

For quick definition, sweep the tip across your lash line or waterline, beginning from the inner corner. Adjust the thickness to your liking.

A built-in sharpener is at your service to maintain the precision of your liner. Gently pull from the bottom end of the liner to access the sharpener and give your Velvet Infinity Eyeliner a fine point for flawless application every time.

#### PRO TIP:

For a smoky effect, quickly blend the line before it sets.

**Suggestion:** Focus on one eye at a time.
