The Bellame Benefit

Clinical Grade Ingredients:

- Baobab Oil delivers rich antioxidants and omega fatty acids for superior moisturizing effects.
- Retinol, Glycine, and Leucine target the appearance of fine lines and wrinkles.
- Hyaluronic Acid to hydrate, plump and smooth.
- Mineral-rich ocean water to calm and reduce inflammation (goodbye puffy eyes).
- Lemon Extract to brighten and refresh the eye area.

All delivered with our proprietary 3-Layer Technology:

- The top layer is a foil to keep the moisture in during treatment, providing a sauna effect that opens pores and pushes ingredients into the under-eye skin area.
- The middle layer is an elastic fabric so that the masks can adhere properly and allow for movement without falling out of place.
- The bottom layer is wood pulp that keeps active ingredients in place while these beauties get to work!

Directions

Clean, dry skin is the perfect palette for these refreshing masks. Carefully remove the pair of eye masks and place the fabric side against the skin, under the eyes. Leave masks on for 15 minutes, remove and gently pat the remaining serum into your skin. No need to rinse. Follow with moisturizer. Use sunscreen when enjoying the outdoors.

Pro Tips

These masks may be used around the mouth area as well to target visible laugh lines. Chill masks in the refrigerator for 30 minutes prior to using for serious pampering.
