Skin loving ingredients:

Tetrahexyldecyl Ascorbate (Vitamin C): A potent, stabilized form of Vitamin C that enhances radiance, fades dark spots and promotes collagen synthesis for firmer skin.

"Tree of Life" Baobab: Africa's ancient superfruit, rich in antioxidants, vitamins A, C, E, and omegas, boosts collagen, fights free radicals, enhances elasticity, and hydrates for firmer, radiant skin.

Bergamia & Pelargonium: Brighten skin, fight free radicals, soothe irritation, reduce redness, and promote a balanced complexion. Bergamia offers antioxidant benefits with a refreshing citrus scent.

Aloe Vera: Soothes inflammation, heals, and restores distressed skin, providing gentle care for quick recovery and lasting comfort.

Hydra-Lock Complex: Propanediol draws in moisture, Glycerin retains it, Dimethicone locks it in, and Hyaluronic Acid plumps, hydrates, and enhances resilience for soft, youthful skin.

HOW TO USE:

For optimal results, use both morning and evening. In the morning, it helps protect against environmental stressors, while in the evening, it supports skin repair and renewal.

Apply a quarter-sized amount to a cleansed, dry face, focusing on areas needing extra hydration or texture improvement. Gently press the serum into the skin with upward motions to enhance absorption. Follow with moisturizer. Use daily, preferably at night, when the skin naturally regenerates.

Booster Instructions:

For a more customized skincare routine, mix a small amount with your moisturizer before applying it to your face, rather than using it directly. This method helps maintain hydration levels and ensures the formula integrates seamlessly into your routine.

- **Sun Protection:** To protect your skin from sun sensitivity, use a daily sunscreen with SPF 30 or higher, such as BELLAME Luxe Soleil SPF 50.
