The trifecta of beauty

Our Hybrid Exfoliant combines papaya and pineapple enzymes with bamboo and coconut powders for smooth, radiant skin. Infused with hyaluronic acid, vitamins C, E, and niacinamide, it nourishes, renews, and evens skin tone.

Brightens complexion: Evens out skin tone for a naturally radiant glow.

Refines texture: Gently exfoliates dead skin cells for a silky-smooth finish.

Deep hydration: Locks in moisture for long-lasting skin comfort and softness.

Boosts elasticity: Supports skin's natural bounce and firmness.

Protects skin barrier: Shields skin from environmental stressors to maintain a healthy barrier.

Gentle exfoliation: Combines physical and enzyme exfoliants for smooth, soft skin without irritation.

Skin loving ingredients:

Coconut & Bamboo Powders: Gently buff away dead skin cells while softening and nourishing with natural fats, leaving the skin smooth and glowing.

Hyaluronic Acid: Intensely hydrates, plumps, and improves skin's resilience for a more youthful complexion.

Vitamin C: Boosts collagen production, brightens the skin, and protects against environmental damage to give it a youthful appearance.

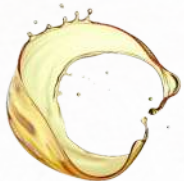

Niacinamide: A powerful form of Vitamin B3 that strengthens the skin barrier, evens skin tone, reduces the appearance of pores, and improves texture for a smoother, clearer complexion.

Edelweiss Extract: A powerful antioxidant with anti-inflammatory properties that protect and strengthen the skin's barrier

Green Tea Leaf Extract: Rich in antioxidants, it protects skin from free radicals, reduces inflammation, and soothes irritation for a calm, clear complexion

7-Oil Blend: Combines Lavender, Lemongrass, Orange Peel, Spearmint, Vetiver, Juniper, and Geranium oils to purify, hydrate, and balance, leaving skin smooth and revitalized.

HOW TO USE:

Use once or twice daily, morning or night. 2 -3 times a week.

Cleanse & Apply: Start by cleansing with a gentle cleanser and pat dry. Then, gently massage a small amount of the Illuminating Enzyme Polish onto damp skin using circular motions.

Rinse & Moisturize: After 1-2 minutes, rinse with lukewarm water. Follow up with your favorite serum and moisturizer for best results.

Pro Tips:

For a spa-like nightly routine, use this before applying Baobab Facial Oil for enhanced hydration and a rejuvenated complexion.
