Sun Protection Redefined

Shield, Nourish, Renew

This skincare-infused shield offers advanced defense against UVA/UVB rays and blue light while nourishing your skin. A luxurious blend of mineral and chemical barriers, combined with Baobab's "Tree of Life," Aloe, and Vitamin E, delivers broad-spectrum protection without leaving a white cast. Enjoy radiant, hydrated skin with a weightless, flawless finish that feels as good as it looks.

State-of-the-art Formulation: Our unique hybrid formula combines UV-reflective mineral and UV-absorbing chemical actives. Zinc Oxide deflects harmful rays, while chemical blockers absorb and safely release them.

Infused with Skincare: This innovative product offers sun protection while nourishing and hydrating the skin. Antioxidants, vitamins, and moisturizers enhance skin health. Use it as a primer or replace your daily moisturizer.

Improved Texture & Appearance: The hybrid SPF 50 combines the strengths of physical and chemical blockers for a smooth texture, easy blending, and minimal white cast on all skin tones.

Perfect for All Skin Types: This hybrid formula suits all skin types, offering the gentle touch of physical blockers for sensitive skin and the lightweight feel of chemical blockers for a flawless finish.
