

# THE BELLAME OMNI OPPORTUNITY

## FEB 2025 AVERAGE MONTHLY EARNINGS

At BELLAME, we are redefining the beauty and wellness industry with our Omni Marketer Opportunity, a game-changing approach that eliminates financial barriers while maximizing earning potential.

Unlike traditional MLMs, **BELLAME requires zero investment to start or grow your business—because we believe in supporting our Partners to make money, not making money off of them by:**

- No enrollment fees
- No monthly, annual, or renewal fees
- No website or back-office fees
- No required personal purchases
- No fees to transfer your earnings to your bank account
- No complex conversions or hidden percentages—every dollar counts towards rank qualifications at face value

Our Omni Compensation Plan is a volume-based plan, meaning you can advance through the entire compensation structure to the very top rank by promoting to Director and mentoring others to do the same.

Director is our core rank, achieved with just \$3,000 in Team Qualifying Sales, which can be generated by you alone or with the support of your entire team. However, at least \$500 of that \$3,000 must come from your personal sales.

Additionally, every dollar counts toward your Team Qualifying Sales—\$1 is counted as \$1 from the price listed on the site. **No tricky conversions, no hidden percentages—just a straightforward path to success.**
